COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

The Notice of Allowability refers to the allowed claims being number 1 to 29. However, in the reasons for allowance, only claims 1 to 10 are indicated as being allowed. However, the reasons for allowance do refer to claim 25 as well, and all of the remaining claims depend on either claim 1 or claim 25 so it appears that the Notice of Allowability is correct and that all of claims 1 to 29 should be allowed. We look forward to receiving revised reasons for allowance that reflect this.
